## ABOUT US

Burhani Agro Traders was established in the year 1994. We have been a wholesaler of Paints, Hardware, Sanitary, Power tools, and Agriculture implements items from the last 29 years. Our brand name is BatMaster. Bat Master as the brand name was registered in 2016. As the name suggests we are masters in quality and our products reflect this. We are importing professional marble cutting blades, manufacturing karni, travel (gurmala), agriculture tools and many more items.

Our main focus is on quality at reasonable prices. We think from the mindset of the end user and that is what makes our vision too.

We are continuously upgrading our inventory and adding more & more products with updated technology to cater to the needs of the industry.

We have good network of distributors throughout the country. Our relationship with our customers is not just simply trading, but we consider our customers as business partners.

We would like to establish a long term business relationship with customers from all over INDIA.

We hope you have a good experience using our products.

Thanking You,  
Burhani Agro Traders Family
